CONCEPTUAL FRAMEWORK FOR PROFESSIONAL EDUCATION
Professional Understandings, Practices, and Identities
The College of Education at the University of New Mexico believes that professional education should seek to help individuals develop professional understandings, practices, and identities. These understandings, practices and identities frame the lifelong learning of professional educators.

UNDERSTANDINGS frame the identity and practice of educational professionals.
We seek to help you better understand:

These understandings enable you, as a professional, to value and engage in PRACTICES that embody the following qualities:

Developing a professional IDENTITY is central to lifelong growth as a professional educator. The University of New Mexico College of Education will help you to develop the following attributes of a professional:

---
